

Acknowledgments .....	ii
Introduction .....	vii
Executive Summary .....	ix
Guide to This Report .....	xiii
<b>Demographic Context.....</b>	<b>1</b>
Age Distribution of the Population .....	3
Death Rates.....	4
Life Expectancy at Birth .....	5
Years of Potential Life Lost .....	6
Poverty .....	7
Child Poverty .....	8
<b>Health Care Services and Systems .....</b>	<b>9</b>
Health Insurance Coverage .....	11
Adequacy of Health Insurance .....	12
Usual Source of Care .....	13
Routine Medical Care Visits .....	14
Average Number of Medical Visits .....	15
Pap Test .....	17
Mammogram .....	18
Prostate Cancer Screening .....	19
Blood Cholesterol Screening .....	20
High Cholesterol Awareness .....	21
Blood Pressure Screening .....	22
High Blood Pressure Awareness .....	23
Prenatal Care .....	24
Immunization - Influenza, Adults .....	25
<b>Risk Factors for Illness.....</b>	<b>27</b>
Overweight or Obese .....	29
Daily Fruit Consumption .....	30
Daily Vegetable Consumption .....	31
No Physical Activity.....	32
Recommended Physical Activity .....	33
Cigarette Smoking .....	34
Chronic Drinking .....	35
Binge Drinking.....	36
DUI (Driving Under the Influence) .....	37
Seat Belt Use .....	38
<b>Health Problems of Mothers and Infants.....</b>	<b>39</b>
Infant Mortality .....	41
Infant Mortality Related to Birth Defects .....	42

# Table of Contents

Low Birth Weight .....	43
Adolescent Births .....	44
Overall Birth Defects .....	45
Folic Acid Consumption .....	46
Neural Tube Defects .....	47
Orofacial Clefts .....	48
Congenital Heart Defects .....	49
<b>Infectious Diseases .....</b>	<b>51</b>
Hepatitis A .....	53
Tuberculosis .....	54
Chlamydia .....	55
Syphilis .....	56
Gonorrhea .....	57
HIV/AIDS .....	58
<b>Injury &amp; Violence .....</b>	<b>59</b>
Injury Incidence .....	61
Unintentional Injury Deaths .....	62
Motor Vehicle Traffic Crash Deaths .....	63
Work-related Injury Deaths .....	64
Suicide .....	65
Homicide .....	66
<b>Chronic Diseases and Conditions .....</b>	<b>67</b>
Fair/Poor Health .....	69
Physical Health Status .....	70
Mental Health Status .....	71
Arthritis Prevalence .....	72
Asthma Prevalence .....	73
Diabetes Prevalence .....	74
Diabetes Deaths .....	75
Coronary Heart Disease Prevalence .....	76
Coronary Heart Disease Deaths .....	77
Stroke Deaths .....	78
<b>Cancer .....</b>	<b>79</b>
Lung Cancer Incidence .....	81
Lung Cancer Deaths .....	82
Colorectal Cancer Incidence .....	83
Colorectal Cancer Deaths .....	84
Breast Cancer Incidence (Females) .....	85
Breast Cancer Deaths (Females) .....	86
Prostate Cancer Incidence (Males) .....	87
Prostate Cancer Deaths (Males) .....	88

## Table of Contents

Appendices .....	89
Appendix A: Utah Health Status by Race/Ethnicity Summary Sheet.....	89
Appendix B: Race and Ethnic Groupings Used in the Report .....	92
Appendix C: Population Count Estimates Used in the Report .....	94
Appendix D: Computing Rates .....	96
Appendix E: Age-adjusted Rates .....	97
Appendix F: Confidence Intervals .....	100
Appendix G: Statistical Reliability and Validity .....	102
Appendix H: Validity of the Race/Ethnicity Classification in Public Health Data Sets .....	104
References .....	106
